Community Living celebrates 45 years of dedicated service to individuals with developmental disabilities and their families. **Your help is needed!** Please consider making a donation to Community Living to help support our Client Activity Fund or our Staff Recognition Fund.

\_\_\_\_\_ **Consider donating to the Client Activity Fund** so that we may be able to continue to support individuals in our program to attend activities. This fund helps provide financial assistance to clients in our program that may need help in paying for entry fees/tickets and/or meals at events that are important to them. This fund also helps pay for the attendant costs of entry fees for those staff supporting the client at the event.

\_\_\_\_\_ **Consider donating to the Staff Recognition Fund** so that we can continue to recognize our direct support staff in the dedicated high quality work that they provide to the people we support. Direct support staff are the key to ensure that individuals with developmental disabilities are successful in their communities. This fund helps pay for the Dan Baker Staff Appreciation Day as well as other direct support staff recognition throughout the year.
